Wild Plants of Barbados by Sean Carrington

Colonialism wiped out Barbados's biodiversity in the 17th century by replacing local vegetation with the monoculture of intensively farmed fields of sugarcane, but wild plants are proliferating again. The series is now on show at Haarlem Artspace, Derbyshire, until 11 October as part of re:rural.

Wild plants of Barbados illustrated on plantation ledgers ...

Davis started pressing and using specially mixed Victorian paint to draw these plants on old plantation ledger pages. Colonialism wiped out Barbados's biodiversity in the 17th century by replacing local vegetation with the monoculture of intensively farmed fields of sugarcane, but wild plants are proliferating again. The series is now on show at Haarlem Artspace, Derbyshire, until 11 October as part of re:rural. "I want to use the plants to learn to listen to the land in another way and ...

Wild Plants of Barbados (MacMillan Caribbean Natural ...

The island of Barbados is a part of the Lesser Antilles where there are approximately 2100 species of indigenous plants. Despite this, only about 700 species of these indigenous plants are hosted by Barbados with a mere 2 being endemic to island. There are, a gully shrub, Phyllanthus andersonii and a twiner of dry woodland, Metastelma barbadense.

Plants - Barbados Pocket Guide

The other terrestrial orchid on Barbados is the Ground Orchid, with its beautiful pinkish-purple flowers; common on rocky slopes and in acid grassland, it blooms from February to April. Some plants have peach-coloured flowers. The third wild orchid found in Barbados is the Eyelash Orchid (Epidendrum ciliare), which grows on rocks and on tree trunks. The flowers are creamy-white and fragrant, and they have narrow petals and sepals. The lip is divided into three lobes, the outer two of which ...

Barbados: wildlife, wildflowers, birds butterflies guide

Wild Plants of Barbados (MacMillan Caribbean Natural History) First published over ten years ago, this fully revised and updated edition now includes several plant species previously unrecorded for Barbados.
