With Broadax and Firebrand: The Destruction of the ...

Based on a great range of documentary and scientific resources,With Broadax and Firebrand is an enormously ambitious book. More than a history of a tropical forest, or of the relationship between forest and humans, it is also a history of Brazil told from an environmental perspective. Dean writes passionately and movingly, in the fierce hope that the story of the Atlantic Forest will serve as a warning of the terrible costs of destroying its great neighbor to the west, the Amazon Forest.

With Broadax and Firebrand by Warren Dean - Paperback ...

With Broadax and Firebrand: The Destruction of the Brazilian Atlantic Forest. Berkeley: University of California Press, 1995. Warren Dean chronicles the chaotic path to what could be one of the greatest natural disasters of modern times: the disappearance of the Atlantic Forest. A quarter the size of the Amazon Forest, and the most densely populated region in Brazil, the Atlantic Forest is now the most endangered in the world. It contains a great diversity of life forms, some of them found ...

With Broadax and Firebrand: The Destruction of the ...

With Broadax and Firebrand is the story of the long history of devastation and recent desperate battles for conservation. The Atlantic forest has always been Brazil's most populous and developed, and this book is much more a history of Brazil informed by environmental concerns than a history of the environment. "Avarice," he writes, "is so pallid a word to describe this expropriation, and avarice itself is only a minor character flaw compared to ignorance, indifference, and ...
